

# MOBILE APP FOR PHILATELISTS

Peeler is one of the best philately apps on the market. Restore some order to your collection Download it today!

Peeler. The end-all-be-all app for Philatelists (stamp collectors and connoisseurs). Old stamps, new stamps, limited edition; you name it, it's on there, bro. For veteran stamp collectors and those possibly looking to start up a new hobby, on top of the fifty other things that they collect.

## PEOPLE LOVE US

I can finally keep track of every stamp I've ever collected! Technology is amazing and so is this app!

**Jeffrey Fishbaum - Old Man**

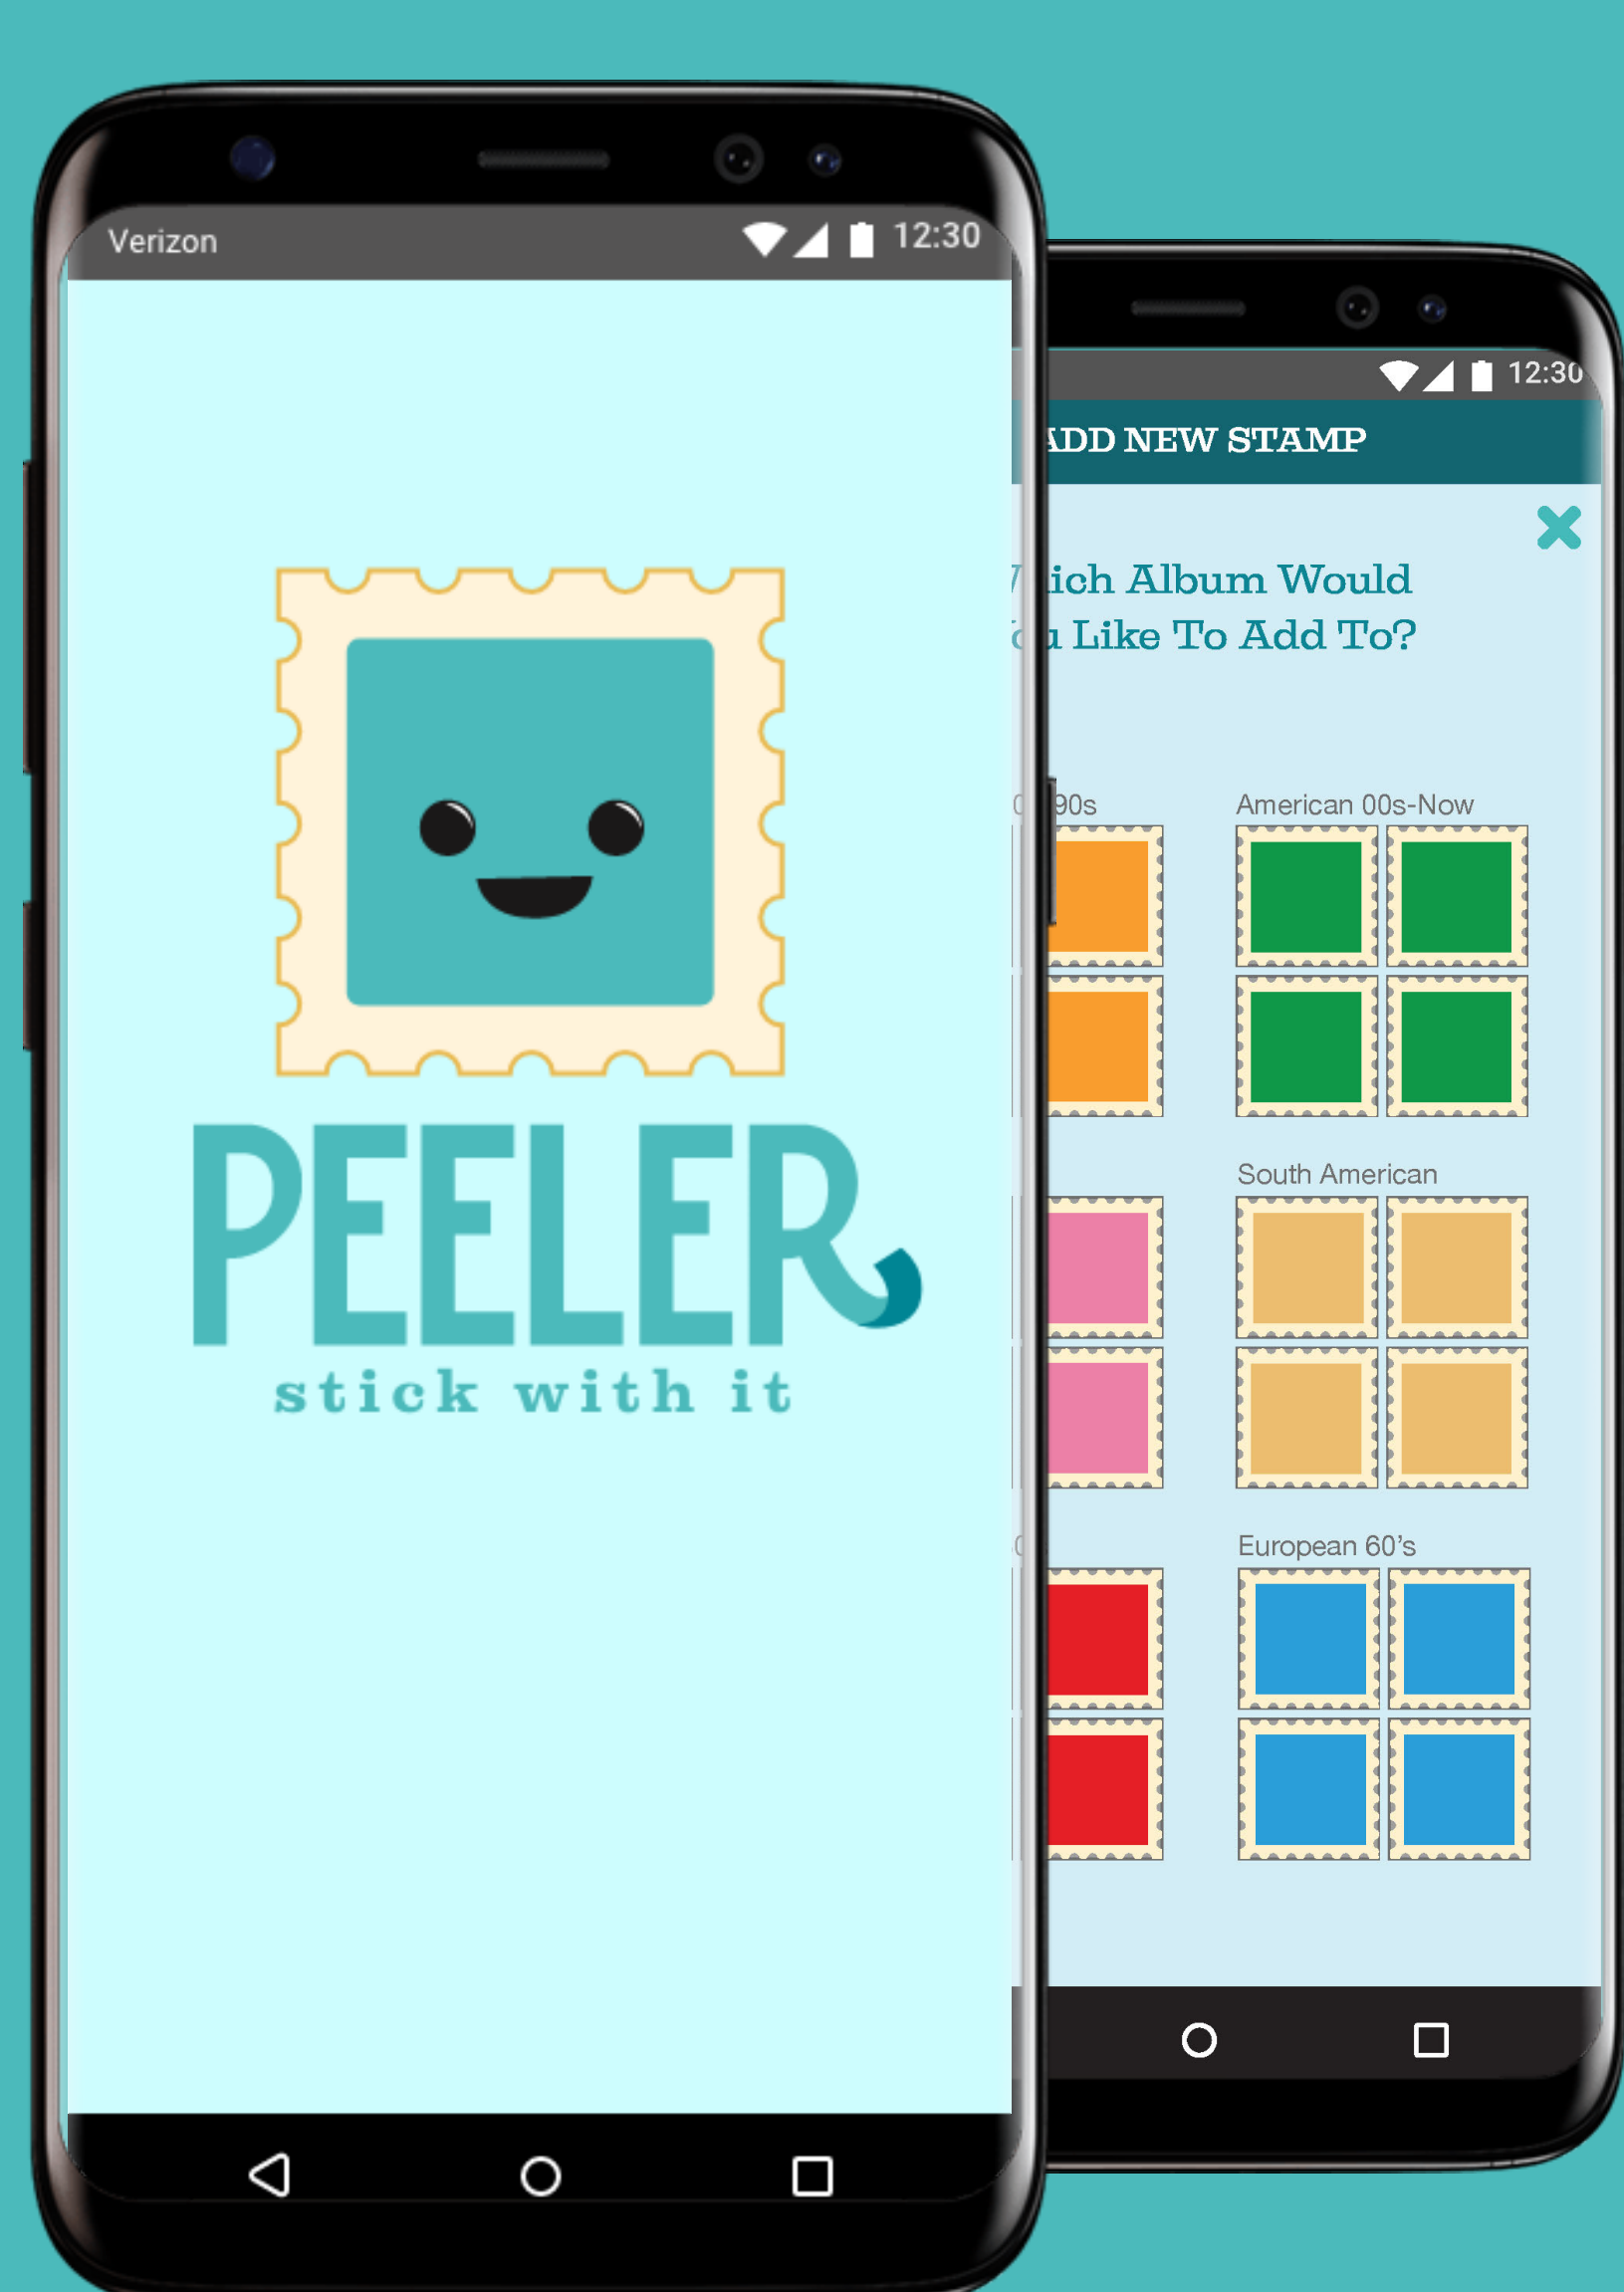

Never realized stamp collecting could be this fun. My god Peel-E is too cute. This great for people of all ages

**Eddie Flange - Young Person**

Praise the powers that be for bestowing me with the presence of this app. My life is in order.

**Nelson Belfonte - Postman**

## FEATURES

- Set up collections and generate checklists for stamps yet to be obtained.

- Not sure what stamp it is? Take pictures of your stamp and the algorithm will scour the internet for a match to either the iconography or the text that is legible on the stamp.

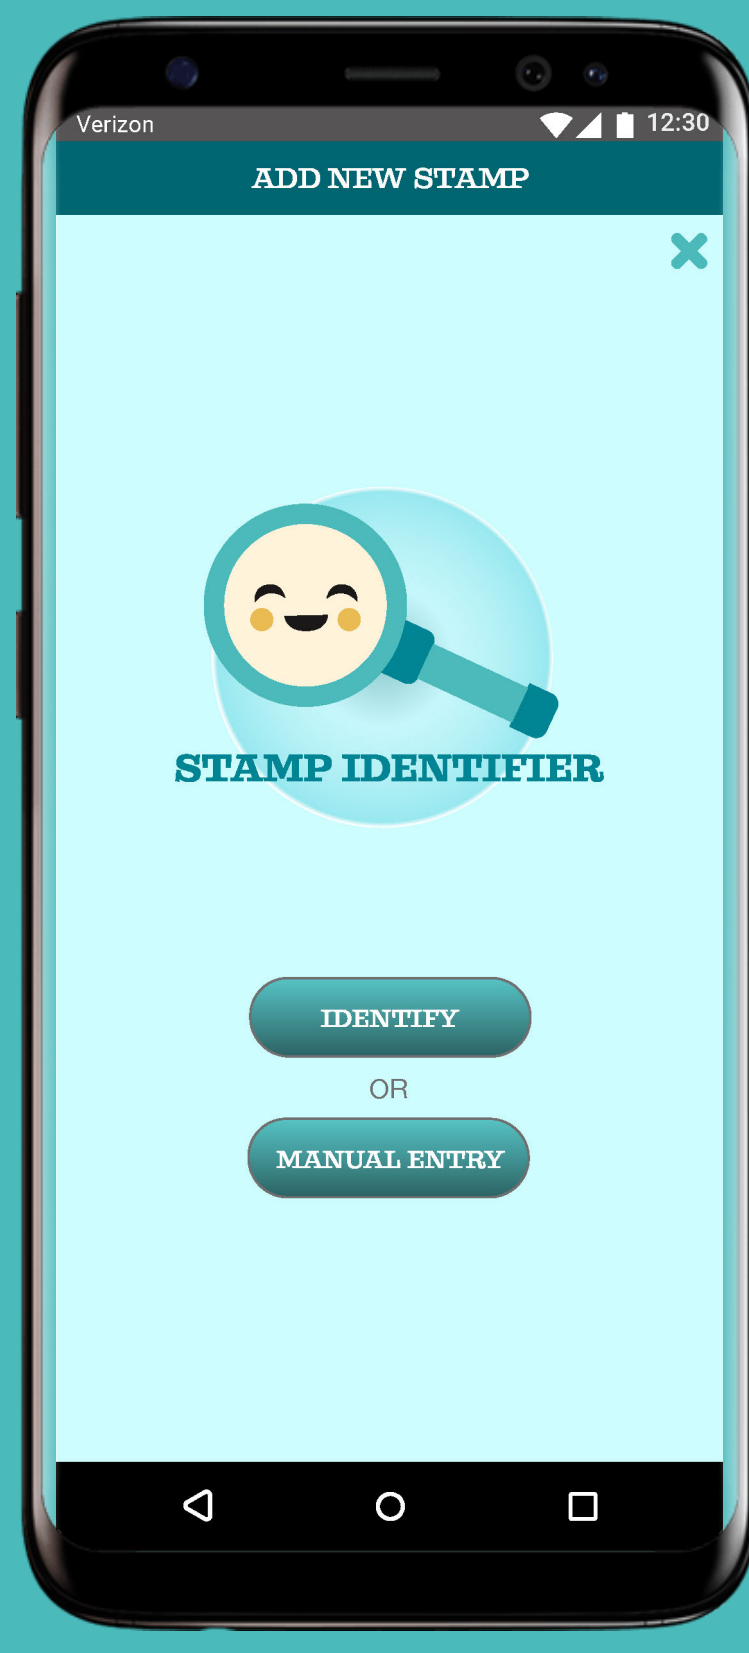

- With the information that our app stores, we are able to create a comprehensive database of all the stamps that users have collected. Allowing you to research and browse stamps from around the world.
